

Rules for US\$ 100 Discount Coupon Service

Rules for US\$ 100 discount coupon Service This Rules for US\$ 100 discount coupon (“This Rule”) sets the rules of Tradecarview Corporation (“Tradecarview”) with regard to US\$ 100 discount coupon issuance and usage for user (“User”) who purchases vehicles through tradecarview inventory listing service (“tradecarview”).

1. Issuance of US\$ 100 discount coupon

Tradecarview will issue Discount Coupon (“US\$ 100 discount coupon”) to Users according to the provisions of This Rule. By using 1 US\$ 100 discount coupon, Tradecarview will subsidize User to give discounted invoice price for each vehicle purchase, based on the fixed amount US\$ 100.

2. Rights of Tradecarview

US\$ 100 discount coupon is issued to Users for Tradecarview’s independent used car sales promotion. User shall acknowledge and agree that under This Rule, Tradecarview is not obliged to issue US\$ 100 discount coupon to Users. Users who are eligible for obtaining US\$ 100 discount coupon will be determined by Tradecarview at its sole discretion.

3. Usage rules of US\$ 100 discount coupon

US\$ 100 discount coupon can be used to all cars listed on tradecarview, but no more than 1 US\$ 100 discount coupon can be used per used car purchase. US\$ 100 discount coupon may only be used for payment of purchase price discounted by Tradecarview. Therefore Users may not request Tradecarview for payment of the money equivalent to such discounted amount or any payment to Sellers for other purpose by using US\$ 100 discount coupon.

4. Issuance rules of US\$ 100 discount coupon

(1) If User completed used car purchase through tradecarview, 1 US\$ 100 discount coupon is issued for each purchase unit (excluding the units of which purchases are cancelled), provided, however, that US\$ 100 discount coupon will initially be issued when User’s cumulative purchase units through tradecarview reaches 1 (excluding the units of which purchases are cancelled). User’s cumulative purchase unit is counted when As of October 3, 2019, the date this US\$ 100 discount coupon Service starts. the payment is accepted on tradecarview based on “Terms of Agreement for tradecarview Buyer”. US\$ 100 discount coupon will be issued at around 7:00 PM (JST) on the day when the payments are accepted with regard to the eligible transaction for issuance of the US\$ 100 discount coupon.

(2) Even if certain purchase based on which a US\$ 100 discount coupon was issued, is cancelled afterwards (no matter what the cancellation reason is), such cancellation will not affect the validity of the US\$ 100 discount coupon if it was already consumed by then.

(3) When certain purchase based on which US\$ 100 discount coupon was issued is cancelled afterwards, US\$ 100 discount coupon which was already issued but not used will become void as soon as the cancellation of such purchase becomes final and binding. Further, no new US\$ 100 discount coupon will be issued until the User's unused amount of US\$ 100 discount coupon becomes equal to the difference between cumulative issued US\$ 100 discount coupon amount calculated by actually completed purchase units through tradecarview and cumulative consumed amount of US\$ 100 discount coupon.

5. Issuance of US\$ 100 discount coupon

Tradecarview may issue US\$ 100 discount coupon to designated Users, with or without announcing the conditions beforehand. If the issuance of US\$ 100 discount coupon is based on Users' purchased units through tradecarview, rules of US\$ 100 discount coupon will be applied mutatis mutandis unless otherwise separately defined.

6. Validity of US\$ 100 discount coupon

US\$ 100 discount coupon is valid for 30 days (counted in JST) from issuance date. Term of validity for US\$ 100 discount coupon will be defined by Tradecarview and indicated separately when they are issued. US\$ 100 discount coupon that is out of terms of validity will be deleted from Users' US\$ 100 discount coupon list, and they will never be revived for any reason.

7. How to use US\$ 100 discount coupon

If User wants to use a US\$ 100 discount coupon, User has to enter his /her request to use his / her US\$ 100 discount coupon when User requests issuance of invoice (To obtain discount, US\$ 100 discount coupon shall be within the term of validity at the time of such request). After such request, User will receive the invoice with discounted invoice price by the US\$ 100 discount coupon. The User can cancel to use the US\$ 100 discount coupon by requesting an amendment of the invoice to the seller. However, if the payment of purchase price instructed by the invoice is already accepted by tradecarview, User cannot cancel to use US\$ 100 discount coupon in any way.

8. Failure of Acceptance of Purchase Price

Even if Tradecarview did not accept payments of purchase price instructed by the invoices with US\$ 100 discount coupon, User cannot cancel to use the US\$ 100 discount coupon and such US\$

100 discount coupon will be deemed to be consumed (excluding the cases of invoice amendment requested stated in clause 8). Provided, however, that User may cancel to use the US\$ 100 discount coupon only when the payment is rejected by “Cancel Request” by the seller on tradecarview. In this case, the use of the US\$ 100 discount coupon will be deemed as cancelled, and User may use such US\$ 100 discount coupon again for the next purchase.

9. Relationship with the Seller

Because US\$ 100 discount coupon actually means subsidy by Tradecarview, despite the use of US\$ 100 discount coupon, other conditions between User and seller such as the total cost needed for the transactions will still be based on original CIF/C&F/FOB price that the seller has calculated. Moreover, Vehicle Sales Agreement agreed by the seller and the buyer will not change, regardless of the usage of US\$ 100 discount coupon.

10. Rules regarding US\$ 100 discount coupon consumed after cancellation of transactions

If the cancellation occurs after US\$ 100 discount coupon is consumed, Tradecarview will deal with such US\$ 100 discount coupon according to the following rules.

(1) If the cancellation is attributable to the seller, or if tradecarview cannot decide the attributable party of the cancellation (this decision is made based on “Terms of Agreement for tradecarview Buyer”), the US\$ 100 discount coupon once consumed for this cancelled transaction will regain validity as unused so long as such US\$ 100 discount coupon is within the original term of validity at such time. If the Discount amount of such US\$ 100 discount coupon shows percentage discount, new discount amount will be calculated based on the new invoice price for the next used car purchase.

(2) If the cancellation is attributable to the buyer (this decision is made based on “Terms of Agreement for tradecarview Buyer”), the US\$ 100 discount coupon remains as consumed.

11. Prohibition of Transfer

User shall not transfer or dispose US\$ 100 discount coupon to the third party.

12. Change of Conditions

Tradecarview may terminate issuance of US\$ 100 discount coupon and/or change the conditions of US\$ 100 discount coupon any time by announcing it in advance. However, those termination of issuance or changes of conditions made by Tradecarview will not affect any US\$ 100 discount coupon that are already issued.
